

□ **Make Your Own Lawn Sign**

Take it to the streets! Let everyone who drives past your house know what you love best about being a Girl Scout. Use whatever materials you like best (markers, paint, the computer, etc) and make your very own lawn sign that you can proudly display. Wouldn't it be awesome if every Girl Scout family had a Girl Scout lawn sign displayed for all of Girl Scout week?! (Tip: be sure to consult your municipality guidelines so that you can display your signs properly.)

Include a photo or drawing of your lawn sign:

A large, empty rectangular box with a thin black border, intended for a student to provide a photo or drawing of their lawn sign.
